Subsection numbered

0.1.1 title

Subsubsection numbered. There are no subsubsubsections.... I think you don't need that many. Also you don't need a section to have a subsection (Not required, not very nice!) Please note how all the sections and subsections get numbered and get a nice format (boldface and bigger size).

1 Font format

This will produce *italicized*. This will produce **bold**. This will produce SMALL CAPS. This will produce `typewriter`.
